REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose; in a method of making a finished thin-walled container using a high strength alloy by impact extrusion, drawing and ironing; impact extruding a metal slug to form a cup with a base thickness of the cup being about the thickness of the base of the finished container and an outer diameter being at least about 10% larger than the outer diameter of the finished container and drawing the cup to reduce the outer diameter to about the outer diameter of the finished container without reducing a wall thickness of the cup.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Ed Tolan whose telephone number is 571-272-4525.
